Respecting Life at the end of Life

A well organized campaign is seeking to legalize physician assisted suicide (I-1000) in Washington State. I-1000 will be on the ballot in November. Assisted suicide is a grave affront to the inherent dignity of the human person. It not only threatens our most vulnerable citizens who need loving counseling, good pain relief and care, but also undermines the common good. We oppose assisted suicide because we recognize that life is a gift from God. Please sign this form to support the effort to defeat I-1000.
